Placid Fee NSY No. 6" well at a location 100 feet from the East line and 250 feet from the North line of the Northwest Quarter of the Southwest Quarter of Section 4, Township 8 North, Range 2 East, LaSalle Parish, Louisiana, which point is also:

2) To designate the Justiss Oil Company, Inc. Placid Fee NSY No. 6 well as an alternate unit well for the Wilcox A Zone, Reservoir A, in Sand Unit M as defined and described by Order No. 1106-A-4, which order covers the Wilcox A through C Zones, Reservoirs A, in the North Searcy Field, LaSalle Parish, Louisiana, at said exceptional location, and to permit Justiss Oil Company to produce the unit allowable from the existing wells on the unit, the proposed alternate unit well, or from any combination thereof, at its discretion.

3) To determine that the proposed location will effectively and efficiently drain a portion of the reservoir which would not otherwise be drained, absent the approval of the exceptional location.

4) To consider any and all other matters which the Commissioner of Conservation may deem appropriate and necessary under the circumstances.

Order 1106-A was promulgated by the Office of Conservation on July 11, 1989 establishing rules and regulations and creating drilling and producing units for the North Searcy Field of LaSalle Parish, Louisiana for the Wilcox A through C Zones, Reservoir A. The Wilcox A Zone, Reservoir A was fully and completely defined by Order 1106-A
